Section 1.1 - Championship Commitment

a) Financial Responsibility

Each Provincial Baseball Association (PBA) shall be required to have on file at the Baseball Canada office in Ottawa, a letter of financial responsibility that will cover all its teams competing in the Baseball Canada Championships. This letter shall continue to be in force from year-to-year until rescinded in writing. The letter of financial responsibility shall make the PBA financially responsible for any damages or other costs caused by the PBA's teams.

b) Attendance

Each year, on or before November 30th, each PBA shall advise Baseball Canada in writing of its intention to appear or not appear at the various Baseball Canada Championships in the following year. Failure to do so shall result in the following default decisions being taken by Baseball Canada. Provinces now have the option to attend all events but are only obligated to attend the ones listed in the table below.

<u>Provinces</u>	<u>Mandated Championships</u>
British Columbia Ontario Quebec	Attend 16U Girls and Canada Cup
New Brunswick Newfoundland and Labrador Nova Scotia Prince Edward Island Alberta Manitoba Saskatchewan	Attend Canada Cup

c) Accommodation Commitment

A team requesting to withdraw from Championship host accommodation must request this in writing to Baseball Canada by March 15th.

Section 1.2 - Eligibility Rules - Athletes

a) Amateur Requirement & Reinstatement in the Baseball Canada Championships

Only amateurs are permitted to play in Baseball Canada Championships. An amateur baseball player is one whose involvement in baseball is not the player's primary source of income.

A former professional, reinstated to amateur status, may participate in a Baseball Canada Championship. It is the responsibility of Baseball Canada to reinstate a professional as an amateur. Any professional, who wishes to be reinstated as an amateur, must complete a reinstatement form supplied by Baseball Canada. The form must then be submitted, in

accordance with the provincial registration deadline, through the PBA concerned, to Baseball Canada, who shall make a ruling. To be eligible for reinstatement, a professional must be released by, or retired from, any professional team and not subject to a professional contract by July 1st and for a period of at least thirty days before the Championship. A copy of the release, or letter of resignation, must be provided in satisfactory form to Baseball Canada. The decision of Baseball Canada is final and may not be appealed. Depending on the case, Baseball Canada may allow a reinstatement after the July 1st deadline.

b) Canadian Citizenship Requirement

An athlete participating in a Baseball Canada Championship must be a Canadian citizen or a full-time resident of Canada by September 15th of the previous year.

c) Requirement to be Registered to a Provincial Baseball Association

(i) A player cannot be registered in two provinces simultaneously.

(ii) Any player moving to another province after June 1st of the current year, must obtain a release from their original province to play for the new province. A release requested by a student before June 1st shall not be refused.

(iii) An athlete must be a registered player of the PBA that the athlete represents at a Championship.

(iv) Students attending school in another province may represent their province of residence or the province where they are attending school. The student must state in writing which province they intend to play for at Baseball Canada Championships by June 1. This is subject to the approval of the PBA where they intend to play, and Baseball Canada. Once such declaration has been made by the student and accepted by the PBA and Baseball Canada, the student will not be eligible to play for any team in the provincial playdowns of the province that they did not declare to play for at the Baseball Canada Championships.

(v) A female athlete may participate in a female Championship for a province that they do not reside in, with permission of both provinces involved and Baseball Canada.

(vi) If NL, NS, NB, PEI, AB, SK or MB do not attend the 13U National Championship, an athlete from the province not attending, may play for another province listed above. Permission to play is required from both provinces involved and Baseball Canada.

(vii) A Men's, Women's, or 22U Men's player must be a member of the PBA they represent, and a resident of that province as of July 1st. The only exception to this requirement is when a province does not send a team to the Men's, Women's, or 22U Men's Championship. In that case, players from the province not sending a team, can play for another province, if they have played in an inter-provincial league with that province during the season. **22U players may play for a Men's team from their own Province at Nationals, even if that team plays for another Province at Nationals due to the Inter-Provincial league rule that already exists.**

Any offenders caught using tobacco products will be ejected from the game.

Section 2.5 - Travesty of the Game

The travesty of the game rule will be enforced by the Baseball Canada Technical Officer and the umpires at the Championships. The consequence of a violation of the rule is an ejection, first to the manager and then to the player(s) involved in the travesty. Travesty of the game is defined as an attempt to intentionally lengthen or shorten a game or manipulate the score of the game by any means that has players not "playing to win". This would include batters or runners deliberately attempting to make outs, pitchers obviously trying to miss the strike zone, and fielders obviously trying to make errors.

Section 2.6 - Other

- (ii) Teams must attend the pre-championship meeting.

At the meeting, announcements and directions will be made affecting aspects of the Championship. Non-attendance at the meeting shall not be an excuse for non-compliance. The Host Committee may, for reasonable cause, limit the number of representatives from each team, provided that at least two are permitted to attend.
- (iv) The Pre-Championship meeting agenda will be drafted by the Baseball Canada Technical Officer, in consultation with the Host Committee, and made available to all teams.

Section 3.2 - Power of Decision

Dimension	<u>13U</u>	<u>15U Boys & 16U Girls/Canada Cup (women)</u>
Base paths	70 feet	80 feet
Pitching distance	48 feet	54 feet
Backstop	35-45 feet	40-50 feet
Fence	200-225 feet (LF/RF) 225-260 feet (CF)	245-270 (LF/RF) 280-300 (CF)

Section 3.4 - Dugouts

The home team will use the third base dugout while the visiting team will use the first base dugout. The host team may choose the dugout of their choice, which must be declared at the Pre-Championship meeting.

Section 3.5 - Tiebreaker Games

The schedule for each Championship will confirm whether a tiebreaker game or tiebreaker rules will be used to break a tie in round-robin standings.

Section 3.6 - Tiebreaker Rules

a) Mercy Rule

In a mercy rule game, the winning team will get credit for seven defensive innings while the losing team will only get credit for innings played.

b) Forfeits

If a team forfeits a game, the final score will be 7-0. The winning team will get credit for seven defensive innings and zero offensive innings. The losing team will get credit for zero defensive and seven offensive innings.

c) Extra Innings

Except for Men's, where traditional extra innings are played, only the runs scored and allowed in the first seven innings will be counted when calculating tiebreaker priorities below. The runs scored in extra innings do not count.

For example, if BC and Saskatchewan are tied 5-5 after seven innings and Saskatchewan wins 9-8 in ten innings, both teams are credited with five runs allowed in seven defensive innings and five runs scored in seven offensive innings.

d) Fractional Innings

When calculating the number of defensive and offensive innings that are to be credited to each team under the tiebreaker priorities, innings will be calculated on a fractional basis.

For example, if a game ended with one out in the bottom of the seventh, the visiting team would be credited with 6 1/3 defensive innings.

e) Tiebreaker Priorities

When a multiple tie occurs and is only partially resolved, the placement of the remaining tied teams will be resolved by continuing with the next tie-breaking priority until all priorities have been exhausted. Then, and only then, will the remaining tied teams return to priority number one and proceed through the order again.

Should ties occur between the provinces, round-robin standings will be decided according to the following priorities:

1. The team with the best win-loss record in the game(s) between the tied teams will place higher in the standings.
2. If the tie persists, the placement of teams will be determined by the ratio of the number of runs against per defensive inning in games between the original tied teams.

3. If the tie persists, the placement of teams will be determined by the ratio of the number of runs scored per offensive inning in games between the original tied teams.
4. If the tie persists, the team with the best win-loss record in games played versus the highest placed team not in the tie, followed by comparison against the next highest placed team, etc. will place higher in the standings.
5. If the tie persists, the placement of teams will be determined by the ratio of the number of runs against per defensive innings in all games.
6. If the tie persists, the placement of teams will be determined by the ratio of the number of offensive runs scored per offensive innings in all games.

f) Deadlock

If the tiebreaker priorities above cannot resolve the placement of tied teams, the tie will be broken in a one-inning game using the extra-inning game procedure. If three or more teams are deadlocked, a bracket will be created, and teams will be placed in the bracket by a random draw.

Section 3.7 - Time Between Games

If a team is scheduled to play two games back-to-back, they will be entitled to a rest period of one hour following the completion of the first game. However, upon agreement with the head coach, the Baseball Canada Technical Officer may reduce this rest period.

Section 3.8 - Arrival Time

Teams shall arrive at their playing field at least forty-five minutes prior to the designated starting time of their game.

Section 3.9 - Infield/Outfield Warmups

The Baseball Canada Technical Officer may cancel infield/outfield warmups due to weather or other delays in the schedule.

Section 3.10 - Start Times

Scheduled starting time means the time indicated on the Championship schedule created prior to the start of play. Designated starting time means the time determined by the Baseball Canada Technical Officer in the event of delays because of inclement weather, lengthy preceding game(s), or other factors. When a previous game concludes less than 45 minutes before the start of another scheduled game, the Technical Officer will communicate the designated start time to both teams.

Section 3.11 - Lineups

The starting line-up, including a list of all available substitutes, shall be given to the official scorer at least thirty minutes prior to the start of the game. The list shall include the surname of each player, coach, and manager, with their usual first and last name and uniform number. The uniform number is to be listed to the left of each name and the playing position of the starting players is to be listed to the right of each name.

Section 3.12 - Communication of Pitcher Between Teams

45 minutes prior to the scheduled start time, team managers will indicate to each other if they plan to start a left-handed, right-handed, or ambidextrous pitcher.

Section 3.13 – Post-Game Procedures

At the conclusion of play, the teams shall line up in the home plate area for the traditional handshakes. Following the handshakes, upon the request of the Host Committee, which shall be given prior to the game, the teams shall line up on their respective baselines for the presentation of awards. Following any post-game ceremonies, teams shall vacate the dugouts in a timely manner to not delay any following games.

Section 3.14 - Protest Procedures:

a) Composition

The Protest Committee for each game shall include three individuals. The Baseball Canada Technical Officer will approve the Protest Committee for the Championship and will communicate this information to teams at the Pre-Championship meeting.

The Baseball Canada Technical Officer shall be the chairperson of the Protest Committee.

b) Procedure

When an incident occurs, the protesting team must inform the umpires that they are lodging a protest before the next pitch, play, or attempted play is made. No protest may be made on a judgment call.

To be heard, the protest must be accompanied by a cash deposit of \$100. If the protesting team wins the protest, the cash deposit will be reimbursed.

The umpires shall suspend play and inform the manager of the opposing team and their umpire supervisor that a protest has been lodged.

The Protest Committee, the head coaches of each team, the umpires, and the chef de missions (if desired) shall go to a private area away from the teams, spectators, and other persons.

The Protest Committee shall hear and question in the following order:

- the game umpires, shall explain the play and their decision
- the protesting Head Coach shall state their protest

- the opposing Head Coach (if necessary) shall provide their perspective

The Protest Committee shall have the power to exclude any of these individuals while talking to any of the others.

c) Decision

The Protest Committee shall then discuss the protest in private. Before ruling on the protest, the Protest Committee may confer with any person whom they believe may help assist them reach a decision.

The Protest Committee shall rule on the protest and the chairperson will inform the teams of the decision.

The umpires shall put the decision into effect and order the resumption of play from the point of suspension. No further argument or comment on the protest shall be entertained. The decision of the Protest Committee shall be final. There shall be no appeal to any other body.

Section 3.15 - Discipline Process

a) Application

This discipline process will be used by the Baseball Canada Technical Officer to investigate ejections or misconduct to determine whether supplemental discipline is required.

The Baseball Canada Technical Officer may review:

- i) All ejections to coaches and players.
- ii) Any on-field incidents that did not result in ejections, based on personal observation, witness reports, or video.
- iii) Any off-field incident.
- iv) Any spectator conduct issues.

b) Process

The review of misconduct shall include a hearing for the individual accused of misconduct (respondent) that is chaired by the Baseball Canada Technical Officer. If the respondent is a youth athlete, a coach, chef, or parent must be included in the hearing. The Baseball Canada Technical Officer will inform the team's Chef of the time and location of the hearing, which will be scheduled before the team's next game.

The hearing will begin with the respondent being given an opportunity to read the umpire's ejection report or in the case of an incident not involving an ejection, be told of their alleged violation. The respondent will then provide the Baseball Canada Technical Officer with their perspective on the incident. In the case of a routine ejection, the Baseball Canada Technical Officer has the discretion to waive the hearing process. An athlete or coach who refuses to attend a scheduled hearing may be placed in a state of indefinite suspension until the hearing is completed. The Baseball Canada Technical Officer may seek witness reports and consider video evidence. The Baseball Canada Technical Officer will inform the chef of the decision, which is final and cannot be appealed.

In consultation with the Host Committee, the Baseball Canada Technical Officer may remove a spectator from the Championship site and determine whether the spectator is able to return for future games.

c) Discipline Beyond a Championship

Any incident that may require further disciplinary action beyond the conclusion of the Championship will be forwarded to the appropriate PBA for their review.

d) Automatic or Minimum Sanctions

The following offenses will result in an automatic suspension to be determined by the Baseball Canada Technical Officer:

- Contact with an umpire
- Intent to injure; three (3) games
- **If incidental contact occurs and the athlete is ejected, a one (1) game suspension may apply in lieu of a three (3) game suspension**
- Throwing at a batter; one (1) game
- An ejection that occurs after a game; one (1) game
- A second ejection during the Championship; one (1) game
- A third ejection during the Championship; three (3) games
- Manager two (2) games when their team fails to show up for a game

e) Fines for Team or Individual Conduct

The Baseball Canada Technical Officer may issue fines for individual, and team conduct consistent with the table found in Section 3.16 of this document. Prior to imposing a fine, the Baseball Canada Technical Officer may issue one warning to allow the team a chance to solve the problem.

Section 4 – Safety Rules

Section 4.1 - Protective Headgear

All players shall wear a double ear-flap helmet while in the on-deck circle, at bat, and on the base paths in all age categories. The double earflap helmet is required in these situations regardless of whether the activity is a practice or a game situation. This includes the batting cages.

Bat children must always wear a protective double earflap helmet, including when in the dugout.

Any player acting as a base coach must wear a double ear flap helmet, excluding the Men's, Women's, 21U Women's, and 22U Men's divisions.

Baseball Canada recognizes NOCSAE as their standard for baseball helmets. Baseball Canada recommends that no modifications to a helmet be made, other than what is done by the manufacturer or is completed at the explicit direction of the manufacturer. Batting helmets do not require facemasks, chin straps, **or chin extensions** but this rule does not prohibit their use.

Section 4.2 - Protection for Catchers

In a game situation, any player acting as a catcher must wear a complete set of catcher's gear, including a helmet, a mask with a throat protector, a chest protector, a jockstrap with a cup for men and a Jill strap for women, shin guards, and a catcher's glove.

In bullpen and warm-up situations, the equipment listed above is recommended. At a minimum, catchers, in all age categories, are required to wear a mask, with a throat protector, when they are squatting, or when a pitcher is throwing off the mound. Any individual, including a position player or coach, who is acting in the capacity of a catcher, is subject to this rule.

Extension masks are acceptable as throat protection, provided that the throat area is adequately covered in conjunction with the chest protector.

Section 4.3 - Metal Spikes

Metal spikes are not permitted at the 13U Championship.

Section 4.4 – Arm Smart: Safety Rules Governing the Pitcher

(Does not apply to Men's or Women's)

a) Eligibility

Any player on the team is eligible to pitch, and there are no restrictions on the number of pitchers a team may use in a game.

b) Multiple Appearance in a Day

Pitchers shall be permitted to have two appearances on the same calendar day. If a pitcher requires a rest following their first appearance, the requirement for rest is immediate and the pitcher cannot return to pitch on the same calendar day. For example,

a 13U pitcher who throws 40 pitches in game one on Thursday requires one day's rest and cannot pitch in a second game on Thursday or any time on Friday.

Pitchers cannot pitch in three games during the same calendar day.

c) Pitching on Three Consecutive Days

Pitchers may pitch on three consecutive days if the pitcher's combined total pitches during the first two days do not exceed the limits in the table below.

<u>Division</u>	<u>Limit</u>
11U	25
13U	30
15U Boys 16U Girls/Canada Games (women)	35
18U Canada Cup/Canada Games (men)	40
22U Men's 21U Women's	45

Any rest required under this rule is not immediate and begins the next day. For example, if an 11U pitcher threw 15 pitches on Thursday and 20 pitches in their first game on Friday, the pitcher is ineligible to pitch on Saturday but is eligible to pitch in a second game on Friday.

A pitcher cannot pitch on four consecutive days.

d) Two-Day Maximum Pitch Limits

Pitchers will not be permitted to throw more than the number of pitches shown in the table below, over any two-day period.

<u>Division</u>	<u>Maximum 2 Day Total</u>
11U	75
13U	85
15U Boys 16U Girls/Canada Games (women)	95
18U Canada Cup/Canada Games (men)	105
22U Men's 21U Women's	115

For example, a 13U pitcher who throws 20 pitches on Thursday is eligible to pitch on Friday but is limited to a maximum of 65 pitches ($85 - 20 = 65$)

e) Four-Day Maximum Pitch Limits

Pitchers will not be permitted to throw more than the number of pitches shown in the table below, over any four consecutive day period.

<u>Division</u>	<u>Maximum 4 Day Total</u>
11U	105
13U	120
15U Boys 16U Girls/Canada Games (women)	135
18U Canada Cup/Canada Games (men)	150
22U Men's 21U Women's	165

For example, a 13U pitcher who throws 45 pitches on Thursday, and 10 pitches on Saturday is eligible to pitch on Sunday but is limited to a maximum of 65 pitches ($120 - 45 - 10 = 65$).

f) Rest Requirements

Pitchers must observe the rest requirements shown in the table below.

11U	13U	15U Boys 16U Girls/ Canada Games (women)	18U Canada Cup/ Canada Games (men)	22U Men 21U Women	Day's Rest
1-25	1-30	1-35	1-40	1-45	None
26-40	31-45	36-50	41-55	46-60	1 day
41-55	46-60	51-65	56-70	61-75	2 days
56-65	61-75	66-80	71-85	76-90	3 days
66-75	76-85	81-95	86-105	91-115	4 days
75	85	95	105	115	Maximum

g) Ambidextrous Pitchers

Pitches thrown by an ambidextrous pitcher are counted regardless of which arm or combination of arms, the pitches are thrown with.

h) Playing in Different Age Divisions

A pitcher playing in a higher age division, shall be governed by the pitching rules of their actual age division.

For example, a 13U-aged pitcher playing in the 15U division, is subject to the 13U pitching rules.

This section applies to the Men's and Women's Championships, which do not otherwise have pitching rules.

i) Pitching & Catching

Once a player assumes the position of pitcher, they cannot catch for the remainder of the day.

j) Completing a Batter

When a pitcher reaches the maximum number of pitches allowed for a threshold (the number at which an additional day's rest is required) (see Example 1), or the total number of pitches allowed for a day while in the middle of an at-bat (see Example 2), or the pitcher's combined total pitches during the first two days does not exceed the one day's rest threshold (see example 3), the pitcher is allowed to complete the at-bat. The pitcher's pitch count will revert to the previous threshold and that number will be recorded on the pitch count log.

To revert to the previous threshold, the coach must acknowledge that this is the pitcher's last batter before the pitcher crosses the threshold by advising the umpire. The umpire will advise the scorekeeper. Once the coach has made this declaration, the pitcher must be removed at the conclusion of the at-bat.

Example 1, the first threshold at 13U is 30 pitches. The coach may declare "last batter" to the umpire when the pitcher has thrown 29 or 30 pitches. If a pitcher started an at-bat at 27 pitches and finished the at-bat at 33 pitches, the scorekeeper would record 30 pitches.

Example 2, the maximum daily threshold at 13U is 85 pitches. The coach may declare last batter to the umpire when the pitcher has thrown 85 pitches and the pitcher shall be allowed to finish the batter and shall then be removed.

Example 3, the first threshold at 13U is 30 pitches. The pitcher throws 15 pitches on Day 1, and on Day 2, the pitcher throws again, the coach may declare "last batter" to the umpire when the pitcher has thrown 14 or 15 pitches. If the pitcher finishes the at bat with 17 pitches, the scorekeeper would record 15 pitches.

k) Intentional Walks

Only pitches thrown will be included in pitch count totals. Automatic balls during an intentional walk do not count towards pitch count totals.

For example, if with a 2-0 count, a team signals to the umpire that a batter will receive an intentional walk, only the two pitches thrown will be counted for pitch count.

l) Definition of Days

Required Rest shall be defined in "days" starting at 12:01am and ending at 11:59 pm of the next calendar day. If a game continues past 12:01am, those pitches are counted as if they were thrown prior to midnight.

For example, if a 13U pitcher threw 60 pitches on Thursday and requires two days rest, the pitcher is ineligible to pitch on both Friday and Saturday.

m) Returning to Pitch

A pitcher who is removed from the mound during a game shall not be permitted to return to pitch in the same game, even if the pitcher is retained in the game at another position.

Approved ruling: a pitcher who is pinch hit or pinch run for in an offensive inning, may not return as a pitcher when the team takes the field on defense.

n) Penalty

The penalty for any violation of any part of the pitch count rule is the ejection of the team's Head Coach or Manager. The Head Coach or Manager shall receive an automatic one-game suspension. Should a pitch count rule violation be discovered at the conclusion of a game, the Head Coach or Manager is suspended for one game.

At the 21U Women's, Women's, Canada Cup, 18U, 22U, and Men's level any violation of any part of the pitch count rule also results in a forfeit of a game and no financial penalty will be assessed in this situation.

When a pitcher is about to become ineligible, all individuals, including scorekeepers and the opposing team coaches, must raise this point and prevent the pitcher from becoming ineligible by advising the pitcher's Head Coach or Manager.

o) Suspended Games

When a game is suspended, the scorekeepers will record all pitches thrown in the pitching log. Required rest will be applied immediately.

When a suspended game is resumed, pitches thrown at the completion of the suspended game will be recorded on the day they are thrown.

A pitcher who is ineligible to pitch on the day a game begins but is eligible on the day the game is completed, may pitch in the completion of the suspended game. A pitcher who is eligible to pitch on the day a game begins but is not eligible to pitch on the day the game is completed, may not pitch in the completion of the suspended game.

A game is suspended when the Baseball Canada Technical Officer makes such a declaration and advises teams to leave the park.

A game is delayed when teams remain at the field, with the hope of continuing the game. Delays have no impact on pitching rules.

p) Second Trip

The manager or coach may make a 2nd visit to the mound while the same batter is at bat to remove the pitcher.

Section 5 – Game Play Rules

Baseball Canada Championships shall be governed by the Official Rules of Baseball. This section summarizes modifications to the Official Rules of Baseball for Baseball Canada Championships.

Section 5.1 - Compression Sleeves

All players, including pitchers, are permitted to wear compression sleeves on one or both arms. If only wearing one sleeve, it may be worn on either the pitching or glove arm. A compression sleeve extending only to the elbow shall have the same restrictions as a compression sleeve extending to the wrist. Pitchers must wear compression sleeves which are solid in colour and may not be white or grey. Pitchers may not wear compression sleeves which are distracting in nature, including designs and reflective material. A sports elbow brace may be worn by a pitcher provided it is covered by a sleeve which is not distracting in nature, including designs or reflective material.

Section 5.2 - Designated Hitter

The designated hitter may be used in Men's, 22U Men's, 18U, and the Baseball Canada Cup/Summer Games.

Section 5.3 - Extra Hitter

The Extra Hitter may be used in the 13U, 15U Boys, 16U Girls/Canada Games (women), and **21U Women's** Championships.

An Extra-Hitter (EH) may be placed on the lineup card to get more athletes at-bats throughout the game. When using an EH, the team bats ten players. This rule is optional and does not have to be used by both teams. The EH must be marked on the lineup card at the start of the game and must be used for the entire game.

The EH may be interchanged with any other position during the game and can be changed multiple times, while retaining their place in the batting order. For example, the SS could become the EH and the EH become the SS.

If a player is injured, and the team has no eligible substitutes available, the re-entry rule would apply. The team would continue to bat ten players. If the team had no other players available for selection, the game would proceed with 9 players, without forfeit, and without an automatic out. A player removed due to injury or ejection in this circumstance is not permitted to return to the game. Any further loss of players would result in a forfeit.

Section 5.4 - Courtesy/Designated Runners

No courtesy runner will be allowed for the catcher.

Section 5.5 - Length of Games

All games will be seven innings (6 ½ complete innings if the home team is ahead).

Section 5.6 - Suspended Games

If a game is suspended for any reason, including but not limited to curfew, darkness, power failure, or weather prior to completion, the game shall be resumed from the point of the suspension.

Section 5.7 - Mercy Rule

The ten-run mercy rule shall apply after the fifth inning or four and a half innings if the home team is ahead.

The fifteen-run mercy rule shall apply after the fourth inning or three and a half innings if the home team is ahead.

Section 5.8 - Between Inning Timing

The between-innings clock will be set at ninety (90) seconds and will be timed by the umpires, using a stopwatch. The clock will be in effect for the entire game, including any extra innings. It will be activated once the last out of the inning has been recorded, **regardless of where the out was recorded on the field.** The pitcher may not exceed eight warm-up pitches within the time. The catcher will be instructed to throw to second base with 30 seconds left on the clock. The batter must be entering the batter's box as time expires or when instructed by the home plate umpire. **Penalty: Failure to do so will result in an automatic strike being called on the batter. For pitch count purposes, this automatic strike will not be added to the pitch count total.** The umpires will use discretion when the catcher is at-bat or on base when the inning ends. **The defensive team must be ready to play as time expires. Penalty: Failure to do so will result in an automatic ball being added to the count on the batter. For pitch count purposes, this automatic ball is not added to the pitch count total.**

Section 5.9 - Contact Rule

All penalties and enforcement guidelines regarding collisions at home plate and slides at bases apply as outlined in rule 6.01(i-j) of the Official Rules of Baseball.

In addition, any offensive or defensive player who, in the umpire's judgment, makes malicious contact with another player shall be ejected. Contact shall be considered malicious if, in the umpire's judgment, it is the result of intentional excessive force or there is an intent to injure.

Section 5.10 - Extra Inning Game Procedure

All games require a winner. There are no tie games.

At the Men's Championship, traditional extra innings will be played to determine a winner, with no placed runner.

During tiebreaker games, medal round games, and placement games at all Championships, traditional extra innings will be played, with no placed runner.

In all Championships, except for Men's, if a round-robin game is tied after the completion of seven innings, the following procedures will apply:

- i) Each team will begin the extra inning (and any subsequent extra innings) with a placed runner on second base only, and no outs.
- ii) The batting order of the extra inning, or any subsequent innings, will be determined by how the previous inning ended.

If the last regulation inning ended with the #6 hitter having the last plate appearance, then the extra inning begins with the #7 hitter at bat, and the #6 hitter at second base.

- iii) The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.

Section 5.11 - Re-entry Rule

(applies only to 13U, 15U Boys, 16U Girls/Canada Games (women), and 21U Women's)

Any starting player may be substituted for and returned to the game, one time only. The starting player must return to their original place in the batting order. Any pitcher, if removed from the game, may return, but may not pitch. Any further substitutions do not jeopardize the right of re-entry for the original starting player. Any starting player returned to the game may pitch if the player has not previously assumed that position.

A substituted player may return to the game in the event of an injury or illness as determined by the game umpires. Such substitution will occur when all the team's players have already entered in the game and the team is not able to make a legal substitution or re-entry. The opposing coach shall make the selection of the replacement player who will not be eligible to pitch in that game. The substitute shall assume the place in the batting order of the injured player. This does not apply in the event of an ejection from the game. If a coach has entered all the team's players in the game and a player is subsequently ejected, the game shall be considered a forfeit if the team has no more substitutes or cannot make a legal re-entry.

Section 5.12 - Bat Rules

<u>Championship</u>	<u>Age</u>
Canada Cup/Canada Games (men)	Only wood or bamboo bats. Composite not permitted.
Men's 22U Men's 18U 15U Boys	Only wood bats, bamboo bats, and wood composite bats will be allowed. Wood composite bats include wood bats with fibreglass sheathing and wood barrelled bats with composite handles. Wood composite bats do not include any bat that has any metallic component.
Women's 21U Women's 16U Girls/ Canada Games (women)	Maximum barrel - 2 3/4" with i) 1.15 BPF (Bat Performance Factor) or ii) USA Baseball Model Using up to a minus 5 length/weight differential is permitted.
13U	Maximum barrel - 2 3/4" with i) 1.15 BPF (Bat Performance Factor) or ii) USA Baseball Model Using up to a minus 10-length/weight differential is permitted.

In all divisions, the bat must clearly show the manufacturer's original markings, including, if applicable, length-weight differential. If not, the bat will be considered illegal.

Rule 6.06(d) will apply to any bat not complying with the above.

A player is to follow the bat rule based on the division that they are playing in during the game. For example, a 13U-aged player participating in a 15U game is subject to the 15U bat rule. A 16U-aged girl playing in a 15U Boys game is subject to the 15U bat rule.
