IMPark also allows the Hotel to use three overflow lots, two which are behind the hotel on Osler Street and one which is one block north on the corner of Osler Street and 11th Avenue.

The Hotel also has a bus pad at the corner of 12th Avenue and Osler Street that can be used, based on availability.

FITNESS CENTRE

DoubleTree by Hilton[™] Hotel & Conference Centre Regina features a complimentary 24-hour fitness centre with the very latest exercise equipment by Precor. The fitness room features two large wall murals of abstract images of joggers running through wheat fields. The murals, like all the other artworks in the hotel, are custom made for the fitness room. The imagery is meant to make exercising guests feel as if they are running in the open wheat fields of Regina.

GUEST ROOMS

The décor in the 235 guest rooms is a continuation of the overall design theme throughout the hotel, creating a look and feel that is consistent with guest's first impression – the lobby. The large guest rooms feel comfortable and rich, with the predominantly blue colouring offering a masculine feel and a signal to the colour palate throughout. The custom-made carpet is a modern plaid, furthering the blend of the traditional and modern.

Features:

Full balcony to give extra square footage to the guest room, allowing the fresh air experience to add the ambiance of the hotel.

A Minifridge, chaise lounge, safe, hairdryer, iron/ironing board complete the room. A large piece of artwork is placed above the seating arrangement. The artwork represents wheat seeds blowing in the wind.
